NO SWEAT GATHERING 2008

Films, discussions, practical workshops, international and UK guests, stalls and more. Speakers, sessions and organisations include:

- Mark Thomas - Will be reading from his new book, *Belching out the Devil*, and discussing Coca Cola, corporate power and campaigning. Books will be on sale and he may even sign your copy.
- Activists from the Alternative Movement for Resources and Freedom Society and the National Garment Workers Federation, from Bangladesh.
- The MAP Foundation - working with migrant labourers in Thailand.
- Labour Behind the Label.
- Video activism - with the Reel News Collective
- Trade unionists from the UK and overseas discuss *Organising the Fightback* - how to build union power at work?
- World Development Movement - The EU is pushing international trade rules rigged in favour of the rich and powerful. The WDM is calling for the EU to adopt trade policies that put people before profits. Come and find out more.
- *Dodgy Development* - How DfID cash is developing profits at the expense of the poor in India - film and discussion.
