

# Help the fight against sweated labour!

No Sweat has no rich backers. Nike don't sponsor us!

We need your support.

You can help No Sweat by making a donation - however small or large - every month.

Every £1.00 you give will buy 50 stickers to 'label' sweatshop products with.

Every £2.50 you give will buy 1,000 A5 leaflets. Practical help for a practical campaign.

And every £10 you give will print 20 copies of our 'Sweatshops and Globalisation' handbook

Simply fill in this form - for £1, £2, £10 a month, or whatever you can afford, and send it back to us at No Sweat, PO Box 36707 London SW9 8YA. We'd be pleased to add you to our list of supporting members - so tell us your email and postal address and we will add you to our list of 'Friends of No Sweat'. Thank you. Your help really will make a difference.
